PROFILE

Christopher has worked as an archaeologist in cultural resource management since 2003. As an employee of ASI within the Planning Assessment Division, he oversees Stage 1 and 2 Archaeological Assessments. Through his career, Christopher has also acted as Field Director on numerous Stage 1 and 2 projects, as well as the Stage 3 and 4 excavations of archaeological sites from across the breadth of southern Ontario history. In 2012, Christopher received a Professional-class Archaeological License from the Ontario Ministry of Citizenship and Multiculturalism (P361). He earned his Bachelor of Arts (Honours) with a Specialization in Anthropology from the University of Toronto in 2003, and his Master of Arts in Archaeology from Durham University in 2004.
